I am a candidate for re-election to Congress from this District, subject to the action of the Democratic party. I believe in getting as close to the people as possible, and it was my desire that a primary election be held to select a Democratic nominee for Congress, so that every Democrat could have the privilege of going to his precinct voting place and expressing his choice, but my opponents desired mass conventions at the county seat, and the committee so

ordered. I am now serving my second term as your Representative. I have endeav-ored, to the best of my ability, honestly, faithfully and conscientiously to do my duty.
